- Acts will be judged on originality, creativity, poise, presentation, clarity of voice, sound, and crowd appeal.
- The acts that are chosen will be posted the following day in the commons.
- Performers must provide their own props.
- This is a competition.** Although we would like to include everyone, we are unable to do so. Please explain this to your child **before** they audition. If you are not chosen, it should not be a discouraging thing. The more auditions you go to...the better you become.

Monday, March 26th

- Afternoon performance for students and staff at 1:30 pm.
- 7:00 pm performance for the community.
- Please arrive 15 minutes early for each performance.

NOTES:

- Eye contact and crowd interaction is important.
- Be confident in what you are doing.
- Jambo Djembe and Expressions will be performing.
- Make sure your act is polished. Too often we see acts that have not practiced.
- Be proud of yourself simply for auditioning. That is a huge accomplishment itself.
- If you do not make it in, do not feel badly. You are still amazing and should try again in the future!
- If you are in a club that is performing, you can still audition.
- You may be in more than one act.
