

NASA Discovery Day

Connect with NASA and space science at this
come-and-go STEM event for all ages.

Perform experiments to learn about space, technology and
science. Featuring staff and volunteers from SDSU,
New Tech High, 4-H and more!

Discover the night sky and explore constellations in the
Starlab Inflatable Planetarium.

Find out about careers in science and technology.

Saturday, April 21, 2 to 4 p.m.

Downtown Library | 367-8720

Siouxland Libraries
www.siouxlandlib.org

**NASA @
My Library**

If an ADA accommodation is needed, please contact the City of Sioux Falls Human Relations Office at 367-8745 or humanrelations@siouxfalls.org at least 72 hours before the event.

The NASA@ My Library project is led by the National Center for Interactive Learning at the Space Science Institute. Partners include the American Library Association (ALA) Public Programs Office, Pacific Science Center, Cornerstones of Science, and Education Development Center. NASA@ My Library is made possible through the support of the National Aeronautics and Space Administration (NASA) Science Mission Directorate as part of its STEM Activation program.
